

**HUNTINGTON BEACH CITY SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

CATHERINE G. MCGOUGH

OCCUPATION: Governing Board Member, Huntington Beach City School District

I am Cathy McGough, and I serve as your current elementary school Board President. My qualifications are numerous, and I want your support November 2nd. It has been challenging and rewarding to have served as the Trustee of your children's education for nearly twelve years. My husband and I have lived here for 29 years; our three children have all attended schools in this outstanding district.

As a mother, my focus is always on classroom and children. As a 20-year educational administrator with a Masters degree, my focus is on providing sound fiscal management and quality teachers and instruction. My career experience includes Dropout Project manager; administrator of Senior Citizens classes, Parent Education and specialty programs; assistant to a superintendent; vice principal; grant writer; writing program consultant; and middle and high school teacher.

I have the leadership skills to get results. We are successfully establishing rigorous standards, improving test scores, modernizing facilities, and weathering the state fiscal crisis. We hire only the highest qualified teachers and staff. But there is still much work to be done! We must give our children a 21st Century education, while building kids with admirable character.

Please vote McGough! Call me at 848-7332.
